Dear 12U Starz Parents,

Welcome to the Orchard Park Starz 12U team. The three other coaches and I are dedicated to making your daughter's OP Starz experience a great one. As you may have already noticed, I am very active in keeping the parents informed on all issues relative to the team. I will continue to do so. It is very important that if I send an email bulletin out with new schedules, changes etc that you reply to it so I know that you received it.

Attached herewith you will find the following.

A. The team overview and guidelines – we have completely defined the team rules and guidelines. These rules and guidelines are either set by the coaching staff, by the Orchard Park Little League through the National Little League or by the Metro Girls Softball League.

B. The team roster – use this roster to arrange for rides if the need arises. In the past, parents have car pooled to practices. If parents want email addresses then I suggest a parent take it on to collect the email addresses of those wishing to give it out. For privacy, I have not placed email on the roster .

C. The team practice schedule – this is the base schedule and we may add to it as the off-season progresses. Advanced notice will be given.

D. The Medical Disclosure and Zero Tolerance Policy – I have placed both on a single page form as I will have these at all games and practices. All medical information provided will be kept confidential.

- The medical disclosure is for any medical problems or allergies that the coaching staff should know about that may arise in practices or games or that medical personnel would need in treatment. Having this will allow us to act quickly in the event of a medical emergency. Please be thorough.
- The Zero Tolerance section requires you to acknowledge that you have reviewed and agree to our team guidelines and rules.

We are insured by the Orchard Park Little League should an accident or injury occur. I will need to know about it immediately so I can submit the paper work to the National Little League in Williamsport PA.

Also, through Dr. Ryan and the Orchard Park Little League, I have been fully trained and certified as a first responder in the event of a medical emergency or injury on the field or in the gym.

If you have questions feel free to contact me.

Again, welcome to the Orchard Park Starz organization – it's going to be a fun ride!
